SRI RADHA KRISHNA NGO
Organisational Profile

"Empowering Lives Through Spiritual Wisdom, Character Development, and Purposeful Living."

About Us

Sri Radha Krishna NGO is a registered non-governmental organization committed to transforming lives by promoting spiritual knowledge, personal development, and community empowerment. We believe that lasting change begins with the individual—through the cultivation of strong values, disciplined living, and compassionate leadership.

Founded on the timeless teachings of Sri Radha and Lord Krishna, our organization inspires individuals, families, and communities to embrace a life of purpose, integrity, service, and well-being. Through education, mentorship, outreach programs, and community engagement, we empower people—especially young people—to become responsible citizens, effective leaders, and positive agents of change.

Operating in Kampala and Wakiso Districts, Sri Radha Krishna NGO provides practical life skills alongside spiritual education, helping individuals develop healthy habits, emotional resilience, and leadership qualities necessary to thrive in today's world.

Vision

To build a compassionate and spiritually enlightened society where individuals live purposeful, disciplined, healthy, and impactful lives while contributing positively to their communities.

Mission

To empower individuals and communities through spiritual education, character development, leadership training, healthy living initiatives, and community service that foster sustainable personal and social transformation.

Our Core Values

Compassion

We serve humanity with kindness, respect, and selfless love.

Integrity

We uphold honesty, accountability, and ethical leadership in everything we do.

Service

We believe true leadership begins with serving others.

Discipline

We encourage structured living, personal responsibility, and continuous self-improvement.

Respect

We value every individual regardless of age, gender, religion, or background.

Excellence

We strive for quality and continuous improvement in all our programs and services.

Community

We foster unity, collaboration, and mutual support among individuals and communities.

What We Do

Spiritual Education

We promote spiritual knowledge through educational programs, workshops, discussions, meditation sessions, and value-based teachings that inspire individuals to live meaningful and balanced lives.

Youth Leadership Development

Young people are the future of every nation. Our leadership development programs equip youth with practical life skills, confidence, emotional intelligence, communication abilities, and ethical leadership principles.

Programs include:

- Leadership Workshops
- Mentorship Programs
- Public Speaking Training
- Personal Growth Sessions
- Youth Conferences
- Volunteer Leadership Opportunities

Character Development

Character is the foundation of a successful society. We help individuals cultivate:

- Honesty
- Responsibility
- Self-discipline
- Respect
- Compassion
- Accountability
- Integrity

Through seminars, mentorship, and practical learning experiences, participants develop lifelong values that positively influence their families and communities.

Life Skills Education

We provide practical knowledge that helps individuals navigate everyday challenges through training in:

- Time Management
- Goal Setting
- Financial Discipline
- Emotional Intelligence
- Decision Making
- Communication Skills
- Stress Management
- Personal Productivity

Health & Wellness Promotion

Healthy individuals build healthy communities. We encourage holistic well-being by promoting:

- Healthy lifestyle habits
- Mental wellness
- Stress reduction techniques
- Balanced living
- Physical wellness awareness
- Positive daily routines

Community Outreach

Serving the community is at the heart of our mission. We organize outreach initiatives that support vulnerable populations while promoting social responsibility and volunteerism.

Activities include:
- Community Service Projects
- Food Distribution
- Health Awareness Campaigns
- Educational Outreach
- Environmental Activities
- Volunteer Engagement

Our Programs

Youth Empowerment Program

Developing future leaders through mentorship, education, leadership training, and community engagement.

Spiritual Living Initiative

Helping individuals discover purpose through spiritual knowledge, meditation, and value-based living.

Healthy Living Campaign

Promoting healthy habits, stress management, and overall wellness for individuals and families.

Character & Leadership Academy

A structured training program designed to build ethical leaders with strong values and practical leadership skills.

Community Impact Program

Working alongside communities to identify needs, implement sustainable solutions, and improve quality of life.
